PLEASE BE ADVISED OF SCAM CALLS AND EMAILS.

It has recently been brought to the attention of GRFN Chief and Council that **imposters** have been calling members of both Rankin and Garden River First Nations asking members for banking information with regards to RHT.

The **scammers** have begun to call registered citizens asking for banking information. We assume they will continue to keep trying to obtain banking info.

Do **NOT** provide **ANY** information! The only secure way to submit info is by way of secure email rht@gardenriver.org and in-person submission. We will **NEVER** call and ask you to provide personal information over the telephone. All emails should come from the [@gardenriver.org](https://www.gardenriver.org) site.

Be extremely cautious when either someone calls, or if any company contacts you asking you for banking details.

Companies do not call after regular working hours requesting you to resubmit information. Scammers do.
