**EMERGENCY PREPAREDNESS**

While Garden River is a safe place to live and work, emergencies can happen anywhere and at any time. Individuals and families are responsible for their own safety, preparedness, and well-being. In the event of a large-scale emergency, entire neighborhoods may temporarily be isolated from local emergency service providers and utilities. Individuals and families should be prepared to take care of themselves for at least 72 hours in the event of an emergency. Thank You,

Garden River First Nation,
